

Seating Matters Renewed+

Our premium refurbishment program designed to provide world-class seating solutions with exceptional value, sustainability, and guaranteed quality.

What is Seating Matters Renewed+?

Seating Matters Renewed+ offers professionally restored pre-owned chairs that meet the highest standards of hygiene, safety, and comfort. Through our comprehensive **35-Point Quality Check**, each chair is meticulously inspected, fully sanitised, and rigorously tested (including all electrical components) to ensure optimal functionality and safety.

Our Promise of Quality and Care:

- + **Thorough Inspection**
Every chair undergoes a detailed 35-Point Quality Check by our trained technicians.
- + **Sanitisation & Safety**
Each product is fully sanitised and tested to meet clinical safety and hygiene standards.
- + **Certified Performance**
Electrical components and mechanical functions are tested for reliability and efficiency.
- + **Comprehensive Warranty**
We provide a 1-Year Full Warranty on every chair, offering peace of mind and long-term support.

Sustainability You Can Trust:

By choosing Seating Matters Renewed+, you actively contribute to a more sustainable future by extending the life of our expertly designed seating solutions. This means reducing waste while accessing premium-quality chairs at a significantly lower cost.

Why Choose Renewed+?

- + **Value**
Access Seating Matters quality with cost-effective pricing.
- + **Care**
Ensure the highest levels of comfort, hygiene, and safety.
- + **Sustainability**
Support a circular economy by extending product life.

Restored for Care. Ready for You.

Experience world-class Seating Matters quality with added value, backed by our commitment to care.

We look forward to helping you provide the best in comfort and care while supporting sustainability. Please reach out for more details or to explore how Renewed+ can meet your specific needs.
